## Shree Ganesh Polymers Product Catalogue

# ABOUT US

---

Shree Ganesh Polymers is a trusted manufacturer and supplier of industrial polymer packaging products based in Maharashtra, India. We specialize in manufacturing high-quality HDPE drums, plastic barrels, open top containers, and customized industrial packaging solutions for diverse industrial applications.

With a strong focus on durability, safety, and quality assurance, our products are widely used across chemical, pharmaceutical, food processing, lubricants, agrochemical, and industrial manufacturing sectors.

## QUALITY STANDARDS

---

We adhere to stringent quality check parameters to ensure our customers receive high-quality packaging material, enhancing the value of their products. All our products undergo multiple quality checks before they are dispatched to guarantee the highest standards.

**Our highly equipped Quality Control (QC) lab features all the necessary equipment, including:**

- **MFI testing**
- **Compression test**
- **Vacuum test**
- **Hydrostatic testing equipment**
- **ESCR testing equipment.**

This meticulous attention to detail underscores our commitment to delivering excellence in every aspect of our business, ensuring the satisfaction and confidence of our valued clients.

Quality standards as per IMDG and IS 6312
